Escambia County Community Redevelopment Agency Celebrates Brownsville

The Escambia County Community Redevelopment Agency (CRA), in partnership with Lamar Advertising, is proud to bring urban art to the Brownsville area. CRA worked with photographer Guy Stevens and artist Shawn Foster to celebrate the attitudes of the businesses and residents of Brownsville with an urban art mural on a building at the corner of Cervantes and "T" Street.

Stevens took photos of different buildings, signage, building textures and scenes throughout Brownsville and Foster incorporated those images into his abstract design. Lamar Advertising donated the vinyl material the design was created on.

CRA is looking to create an outdoor art mural corridor in the Brownsville area. Businesses interested in participating in this project should contact Eric Johnson, Redeveloper I, at 595-3217 for more information.
