BID NEWS UPDATES

LAWN STORAGE SHEDS

All site-built and prefabricated Lawn Storage Sheds do require permitting and inspections. Find out more details at www.myescambia.com

24-HR Inspection Request Line

We encourage the use of our 24-hr Voicemail Inspection Request Line - (850) 595-3592 - and the website to check permit status and inspection results.

UNLICENSED CONTRACTOR ACTIVITY

TO REPORT UNLICENSED/UNPERMITTED CONTRACTOR ACTIVITY IN ESCAMBIA COUNTY, CALL (850) 595-3509.

Protection Of Openings

Hurricane season is upon us and many people are installing window protections against wind-borne debris. During installations, make sure that all wind-borne debris protection is installed according to FBC R301.2.1.2. WWW.MYFLORIDA.ORG

STATE CERTIFIED LICENSES

EXPIRE August 31, 2010

Make sure your renewals are on time and any associated fees are paid! A license maintenance fee of \$27 is collected for maintaining all insurance, registrations and license information.

COLD ELECTRIC SERVICE

A "COLD SERVICE" is an emergency repair of an occupied dwelling or business. Please contact the Inspector and advise him of the circumstances and estimated time of completion. We will make every effort to assist you and the customer.

A "SCHEDULED SHUTDOWN" is a planned service upgrade, generator installation, or other planned event. Your planning should include notifying the Inspector at least a day before.
