Beginning in April 2007, the District 4 newsletter will be accessible on the District 4 website. You can reach this by going to www.myescambia.com; click on County Commissioners; click on District 4, and then you will see a link button to click on that will take you to the newsletter screen. There will be two portions of this newsletter screen; (1) will allow you access to the entire newsletter, and (2) an update on a specific issue. Twice a year there will be hardcopy newsletters mailed to all citizens in District 4. Four times a year there will be e-newsletters available both online, as well as being sent to individual email addresses. If you would like to receive the newsletter on your personal emails, please contact Becky Azelton in my office at 595-4940 and provide her with your email address and the area of District you live in. You will then be added to the newsletter email distribution list.

We hope this will prove beneficial to all of the citizens in District 4. I look forward to working with you in the future.
