Correction

Lifeguard Stations on Pensacola Beach

We apologize for an error that was made in our last newsletter. After speaking to Santa Rosa Island Authority (SRIA), the following information applies:

The SRIA is in the process of applying for funds from the Tourist Development Council (TDC) for the purchase of six (6) new lifeguard stations. Each station would cost \$35,000 and the purchase would be spread over several years. If the monies are obtained from TDC the SRIA plans to purchase two stations next year (2008), two more the following year (2009), and the final two the year after (2010).

Please watch for a follow-up to this story in a later edition of the District 4 newsletter.

Thank you for your patience.
