MEDIA ADVISORY - STATE BUILDING CLOSURES
~ Please share with local affiliates ~

TALLAHASSEE - The approach of Hurricane Katrina has necessitated the closure of the following DMS pool facilities effective August 29, 2005:

Escambia County
James Building
160 Governmental Center
Pensacola, Florida 32501
Agencies impacted: DEP, DOE, DCF, APD, AHCA, FDLE, DMS

The Department of Management Services closes DMS Pool Facilities in affected counties during disaster/emergency situations based on; local government's decision to close offices, mandatory evacuation notice for the area or declaration of a local state of emergency. Office closures for non-pool facilities will continue to be left to the discretion of the agency head in the affected areas.
