**News Release**

***Pensacola Beach Access***

Beginning Tuesday at 8:00 am all residents and business owners returning to Pensacola Beach should park in the Casino Beach parking lot. We will provide three (3) trolleys going East to Avenida 18. Hopefully by Thursday morning the road will be cleared enough for the trolley to go all the way to Portifino.

We will also have three trucks going West on Ft. Pickens Road to Little Sabine. This road is not cleared at the present time. We expect that Ft. Pickens Road should be able to handle the trolleys by Wednesday.

These arrangements have been made to reduce traffic so that utilities can be restored as quickly as possible.

Contractors will be allowed to use their own vehicles to accompany homeowners for temporary repairs. They must have the necessary Building Inspections permits and decals.

We are proud that we were able to provide access to Pensacola Beach within 24 hours after the storm and allow residents their first look at their property/businesses.

Sincerely,  
Buck Lee,  
General Manager  
Santa Rosa Island Authority
